Eliminate peeling and fading paint and create an inviting appearance. The Vicksburg RePaint program, sponsored by the Vicksburg Downtown Development Authority (DDA), has a partnership with Vicksburg Hardware (112 S. Main St, 269-649-1918) for businesses wishing to give their storefronts a fresh new look. They will be providing a \$2 discount per gallon for all paint purchased through the program.

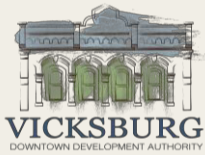

The program will reimburse exterior paint only purchases up to \$200 annually for each business. Participation forms are located on the DDA website and must be filled out and submitted before purchasing paint. Once your painting project is complete, contact the DDA with your date of completion and submit your receipt(s). A reimbursement check will be sent promptly to you. Participants are encouraged to choose Valspar paint colors consistent with the Colonial or Victorian architectural time period available at Vicksburg Hardware which will coordinate with the historic look of the downtown district.
